THE.SUPER.FUN

WE'VE REWRITTEN THE RULES OF KARTING – INFUSING MODERN TECH, CRAZY GAMEPLAYS, AND COOL VIBES FOR ONE HELL OF A GOOD TIME.

Our groundbreaking immersive gaming platform brings together the physical thrills of kart racing with the fun of augmented reality, creating an experience like no other.

Drive full steam through our Cube – a giant hangar in which an interactive virtual world is projected 360°. It's like being in your favorite video game, but with the added adrenaline rush of being behind the wheel of a real electric kart that gives you superpowers.

Hop on your ride, join forces with your colleagues and embark on a mind-blowing adventure to conquer the Cube.

One adventure typically lasts 90 minutes and consists of 2 game sessions of 15 minutes.

€39 pp per adventure (Discover Neon City Rush at the end of the presentation)

UNLEASHING THE EXTRAORDINARY – OTHER FACTORS THAT SET US APART AND ELEVATE YOUR TEAM BUILDING EXPERIENCE

#SuperSafe :

Our state-of-the-art collision-management system keeps your employees and clients safe while ensuring fun at every bump. No holding back- let loose and enjoy!

#SuperInclusive :

Our platform ensures equal opportunities for all players: players are not advantaged by their physical strength or age. And unlike Playstation/Nintendo gamepads, taking control of our #Superkarts is intuitive and immediate

#SuperInteractive :

Our interactive audio system unlocks the competitive and team spirit within your employees. Players can engage, strategize, taunt, and even trash talk opponents, ensuring laughter-filled moments from the start and lasting memories.

#SuperUnconventional :

We know how difficult it can be to organize a teambuilding that breaks out of the same old. Our unique immersive experience guarantees to surprise and delight your employees and customers.
